Aloha Indian Life:

I wanted to thank you once again for your generous gift of the "Indian Life." We just received your shipment and as always the articles continue to touch and encourage the lives of these men. Though we have a small group of Native Americans here, others love to read the Indian Life to give them a different perspective on life. So if you have any more resources that you deemed beneficial for the men here, please feel free to send it to us so we can make it available in our Chapel Library.

Our chapel is also looking for a Native American Church to provide religious guidance for the growing number of Native Americans residing at The Halawa Correctional Facility. We request your assistance in acquiring a volunteer or representative from the Native American faith to offer the respected services to satisfy their religious beliefs. Any and all assistance, advice or guidance would be greatly appreciated.

Thank you, for all your support, that you are led to give to this prison community that lives on the donations we receive. These resources help keep our men walking upright and growing in our Lord and Savior, Christ Jesus.

With Warmest Aloha,

Chaplain Charles Noland Jr.

YHWH bless you, and keep you:
YHWH make His face shine upon you, and be gracious unto you:
YHWH lift up His countenance upon you, and give you peace. (Num. 6:24-26)
